Hi Anna,

Will you be using all of the laptops this week in court? I would like to pick up some of the docking stations, laptops, and other equipment that you don't need either tomorrow or Thursday and the remaining items can be picked up next week.

Is that possible?

Thanks,
Bose

Hi Anna,

Per our conversation, Minor or George will be there to pick up all of the equipment sometime tomorrow afternoon. I've asked them to ask for you at the traffic window.

Thank you so much for your help with this!
Happy Holidays!

Hi Bose,

We will not be using the laptops in court this week. You are more than welcome to pick up those items whenever it is convenient for you. If you would be willing to allow us to hold on to the other equipment until next week that would be great. Thank you.

Anna

Hi Vicki,

Happy New Year to you and Anne! I just wanted to let you know that the shipment of 14 boxes will be delivered to you by Iron Mountain on Friday between 8-5pm. They couldn't give me an exact time but I think it will be sometime between 12-3.

Please let me know once the boxes have been delivered.

Thank you,
